Sir:

A filing receipt for the above-identified patent application has been issued by the U.S. Patent and Trademark Office and has been found to contain the following error:

It reads:

This application is a 371 of PCT/IL04/00501 06/10/2004
which claims benefit of 60/447,400 02/14/2003

It should read:

This application is a 371 of PCT/IL04/00501 06/10/2004
which claims benefit of 60/477,400 02/14/2003

In re Application No.

It has also been noted that the PAIR records for this application under the continuity information also incorrectly identify the U.S. Provisional from which priority is claimed as 60/447,400.

Accordingly, it is respectfully requested that a corrected filing receipt be issued in this application, correcting the above error and also that the continuity information on the PAIR records be corrected

Since the error appears to have been made by the U.S. Patent and Trademark Office, it is believed that no fee is due. However, if additional fees are due for correcting the filing receipt, the Commissioner is hereby authorized to charge them to our deposit account, No. 02-4035.

Respectfully submitted,
